INTER-OFFICE MEMORANDUM

DATE: October 17, 2019
TO: Distribution
FROM: Jimmy Evans, Public Works Operations
SUBJECT: Hauling on Lesner Bridge Structures #01827 & #01814

Based on the review of the Lesner Bridge Load Ratings including the load rater comments and assumptions, the restriction of "No Crossings Allowed" for structures #01827 and #01814 can be removed from the Blanket Permit Hauling Map.

If you have any questions or need additional information, I can be reached at 385-1505 or at irevans@vbgov.com
