

# Virginia Beach Open Cut Letter

Date: \_\_\_\_\_ WR# \_\_\_\_\_ Permit # \_\_\_\_\_

Project Street Address: \_\_\_\_\_

\_\_\_\_\_ proposes to cut, remove and repair a 1' X 1' test hole at the following locations. This work is needed for spot holes to verify depth of existing utilities. If verification in the street is less than 48", \_\_\_\_\_ requests a 2' X 4' open cut to hand lay conduit with 1' separation. We will comply with Public Works "backfill standard detail" in replacing asphalt/concrete.

## In pavement to verify depth of:

Sewer	Water	Storm	Gas	Telecommunications at
<hr/>
